- Dual enrollment coordinator Denise has 7 eligible students now. There is a scheduling conflict for those 7 students with Demitrius' class, with NFCC. The kids have the option to give up Demitrius' class to dual enroll. The best solution would be to enroll in the 11th grade and forgo 2nd semester enrollment in 10th grade. Also summer enrollment is available and would be a great opportunity. IT needs to be offered in the beginning of 10th grade or summer only.
- Lunch Balances are fine with the exception of one or two students
